Announcement of Ethical Considerations of the Bureau of Laboratory Quality Standards (BLQS)

I, Dr. Patravee Soisangwan, Director of Bureau of Laboratory Quality Standards (BLQS), declare to lead the personnel of BLQS and announce ethical considerations of BLQS.

1) Moral “Obligation”

- BLQS will work on quality standard and meet the goals.
- BLQS will strive to utilize the knowledge to work at full capacity.
- BLQS will work for the benefit of the country and the people.
- BLQS will sacrifice ourselves and cooperate fully to achieve our goals.
- BLQS are to ready to take responsibility for correcting errors and preventing repeated problems.
- BLQS are ready to improve and continuously develop our potentials.

2) Moral “Honesty”

- BLQS will provide responsible service with quality, honesty, accuracy, transparency and verifiability.
- BLQS will go to work and return according to standard working hours of civil servants.
- BLQS will use government resources economically and appropriately.
- BLQS will not receive bribe to disclose false information.
- BLQS will not use our position to exploit others in a wrong way.
- BLQS will work without expectation of return from the customer.
- BLQS will not work any personal work in the office.
